SPORTCHASER
SC2

Sport Chaser is a performance tyre pattern for family passenger cars. Its environment friendly designed tread pattern, lowers rolling resistance and noise emission, provides enhanced comfortable driving experience and sufficient sense of safety.

Product Feature	Effect	Customer Benefit
Circumferential straight center-line and shoulder area	Enhancing handling and stability at high speed	High speed safety
Optimum casing profile & special tread compound	Absorbing shocks and minimizes the effect of road surface irregularities, and Improves wet traction	Comfort & safety
Blocks with variable dimensions & variable angles	Better road holding, lower noise	Comfort & quite ride

SPORT CRUISER
SC6

*Sport Cruiser is a urban SUV tyre for highway and city roads.Solid circumferential center rib enhances high speed driving response and straight line stability.
The staggered pattern with variable-pitch reduces tread noise and provides more traction wear.
The large stabilized shoulder blocks with small sipes improve traction and provide precise control on both dry and wet roads.*

 Represents new specifications

Pro Features

- Circumferential straight wide grooves
- center-line
- Blocks with variable dimensions & variable angles and lateral sipes

Effect

- Providing quick response to maneuvers and better balance on the road
- Helping to increase wet handling, reduces the risk of aquaplaning
- For better road holding, lower noise

Customer Benefit

- High speed safety
- Wet grip and safety
- Comfort & quiet drive

SUPERSPORT PIONEER

Product Feature	Wide tread and the large shoulder blocks	The small grooves within the pattern blocks	Wide and deep transverse grooves with bamboo type longitudinal rib design
Effect	Provide outstanding control performance	Reduce the rigidity difference between each pattern blocks and enhance grip performance	Enhance the control performance

SuperSport Pioneer

SSP8

Directional pattern specially designed for refitted vehicle. Wide tread and large shoulder blocks provide outstanding handling performance and stability.

Small grooves within pattern blocks reduce rigidity and enhance grip performance, which will assure your high speed safety.

Wide and deep transverse grooves with bamboo type longitudinal rib design enhance control performance and provide perfect handling performance.

TERRAIN CRUISER A/T

Product Feature
 Staggered and big shoulder blocks
 Strong carcass & jointless mono-strand bead bundle
 Deep-biting and self-cleaning tread lugs design

Effect
 Extra traction in sand, mud, loose soil and snow
 Better reliable operation on rough terrain
 Better traction under extreme conditions

WINTER MAX U1

Function Description

Product Feature

- Advanced piece-shape pattern design with special compound for ice and snow can provide flexibility and bigger ground touching areas to tread on snowy roads.
- Symmetric pattern & big shoulder pattern can produce lateral forces when driving, improve traction on snowy and icy road, improve driving and braking performance significantly, optimize driving precision on dry and wet roads.
- Special compound for ice and snow can ensure good driving performance in winter, middle and late period of winter.

WINTER-MAX A1

Product Feature

- Three longitudinal grooves on tread can enhance water drainage performance and better slip resistant performance on snowy roads.
- Herringbone patterns on tread ensure the strong ice breaking and water drainage performance, the big ground touching areas ensure the performance on icy and snowy roads.
- Asymmetric pattern design can optimize the tyre performance on dry and wet roads, improve comprehensive handling performance on icy and snowy roads.

WINTER FORCE

Function Description

This is a watermark for the trial version, register to get the full one!

Benefits for registered users:

- 1.No watermark on the output documents.
- 2.Can operate scanned PDF files via OCR.
- 3.No page quantity limitations for converted PDF files.

Product Feature

- Three longitudinal main groove patterns can optimize the position and volume ratio of the entire groove and pattern block, ensure better driving and braking forces on snowy roads.
- The T-shaped groove with a certain slope in the middle of the tread can reduce the deformation of the tread block during braking, enhance the force of driving.
- There is connecting block in the middle and shoulder, which is special design, can enhance the section rigidity, reduce the deformation of the tread block during braking, enhance the force of driving, ensure safety and stability.

WINTER-MAX S1

Function Description

Product Feature

The whole tyre can be equipped with up to 200 studs (205/55R16, different sizes can be equipped different studs quantity). Specially design for the state of the Nordic winter. By optimizing the arrangement of the stud holes, ensure the superior grip on icy roads.

The bigger pattern block on tyre shoulder with widened groove can enhance the stability of the pressure and charge snow efficiently, ensure the excellent performance on snowy roads.

AUTOGREEN PASSENGER & LIGHT TRUCK STANDARD LIMITED WARRANTY

1. WHAT IS WARRANTED AND WHO IS ELIGIBLE UNDER THIS WARRANTY?

Best Choice International Trade Co., LTD., headquartered at 3rd Floor, North Anhua Building, No. 8 Yinghua West Street, Chaoyang District, Beijing, China 100029 ("Best Choice"), warrants to the original consumer tyre purchaser that all AUTOGREEN passenger and light truck tyres bought either directly or through an authorized AUTOGREEN dealer, which are mounted on cars or light trucks and become unserviceable for any reason within the manufacturer's control. AUTOGREEN consumer products are warranted to be free from defects in materials and workmanship subjected terms, conditions and limitations as stated below. If our examination of a warrant-able product determines that the product has failed due to defect in materials or workmanship, we will make a reasonable allowance toward the purchase price of a new product or other adjustment within our discretion. Adjustments will be made on a pro-rate basis determined by the amount of usage or service received from the product and will be based on the most recent purchase price (proof of purchase is required). This warranty is not transferable.

TERMS, CONDITIONS AND LIMITATIONS

Under no circumstances is the limited warranty provided herein to be construed as a guarantee of performance or a warranty of merchantability. Passenger tyre (including SUVs) are under limited warranty if less than 4 years from date of production, or less than 3 years from date of purchase (purchase date is required). Light Truck tyre (including SUVs) are under limited warranty if less than 4 years from date of production, or less than 3 years from date of purchase (purchase date is required). The life of the original tread has worn down to 2/32" remaining (worn down to the wear bar indicators in the tread groove).

Benefits for registered users:

- 1.No watermark on the output documents.
- 2.Can operate scanned PDF files via OCR.
- 3.No page quantity limitations for converted PDF files.

WHAT IS NOT COVERED

- A.Tyre adjustments will be based on the remaining tread depth. Tyres worn to 2/32" tread depth or to the tread wear indicator bars are deemed to have served their full useful tread life and are not adjustable.
- B.Tyre returned for out-of-round or ride disturbance conditions beyond 2/32" of wear will not be considered for adjustment.
- C.Tyres marked "NA" (Non-Adjustable) specifically are excluded from this limited warranty.
- D.The cost applicable to taxes, mounting, balancing and any other service charges are excluded.
- E.Tyre returned as a set will not be considered. All tyres must have a warrantable condition.
- F.Tyres that have been altered in any way including retreaded, altered and repaired improperly to Rubber manufactures Association standards or with section repairs or with self-valancing plug are excluded from the limited warranty.
- G.Tyres without DOT number are excluded from the limited warranty.
- H.Tyres with tyre fill, sealant, balancing materials, fillers inside the tyre, tyres notched, buffed, re-grooved or cut are excluded from the limited warranty.
- I.Ozone or weather cracking after 2 years from the date of purchase

- J.Tyre without production date.
- K.Loss of time, or use, inconvenience, or any incidental or consequential damage.
- L.Tyres that have been misapplied due to insufficient speed rating, undersized, or oversized.
- M.Tyres that have become unserviceable due to chemical corrosion, vandalism, chains and flat spotting.
- N.Tyres involved in race activities.
- O.Uneven wear characteristics caused by mechanical irregularity in the vehicle such as misalignment, over inflation and under-inflation
- P.Uneven or rapid wear more than 2/32nds across the tread on the same tyre
- Q.Tyre damage or irregular wear due to road hazard, including punctures, cuts, impact break, bulge, snag, stone drill and car collision.
- R.Continued use while run flat or acute under-inflation.
- S.Improper use, without limitation, improper inflation, overloading, allocated to improper rim, tyre/wheel balance, worn suspension components, improper mounting or dismounting, misuse, misapplication and fire.

OWNERS OBLIGATIONS

- A.Present tyre to the AUTOGREEN dealer from whom you bought this tyre.
- B.Complete and sign an AUTOGREEN adjustment claim form at AUTOGREEN dealer you bought the claimed tyre.
- C.Pay the amounts due for a new tyre, less the amount of the credit, including taxes, mounting, balancing, valve stem if needed and any other service that you might require.

2. REPLACEMENT WARRANTY

If you receive a replacement tyre, the replacement tyre will be covered by the manufacturer's warranty and the supplemental limited warranty that Best Choice International Trade Co. LTD. provides on that tyre. This is the only express warranty given by Best Choice International Trade Co. LTD applicable to AUTOGREEN replacement tyres. Best Choice does not make any other express warranty, implied warranty of merchantability or fitness for a particular purpose. Best Choice does not authorize anyone, including authorized dealers, to change this warranty or create any other obligation in connection with AUTOGREEN products. Best Choice will not do any other act or thing not stated in this warranty if a defect is found to exist on an AUTOGREEN replacement tyre. Remedies are limited to those stated in this warranty and do not create any obligation or liability on the part of Best Choice International Trade Co. LTD.

Legal Rights:

All implied warranties, included any warranty of merchantability or fitness for a particular purpose, are expressly limited to the duration of this written limited warranty. All obligations or liabilities for indirect, incidental or consequential damages are hereby excluded to the extent permitted by law, including economic loss, loss of profit, loss of vehicle, loss of time, inconvenience, personal injury or death. Some states do not allow limitations on how long an implied warranty lasts or the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply. This limited warranty gives the customer legal rights that may vary from state to state. This is the only express warranty applicable to items sold by Best Choice International Trade Co. LTD, and supersedes the terms of any previous warranty. Best Choice International Trade Co. LTD neither assumes nor authorizes anyone to assume for it any other warranty.
